

Internal Quality assurance cell (IQAC)

A Profile

**PUB KAMRUP COLLEGE**

Baihata Chariali, Kamrup, Assam

IQAC of the College was established in **07/04/2003** following the guidelines of UGC. The cell collects the Self-appraisal of the teachers to know about their strength and weakness and after thorough discussions; suggestions are intimated to the respective faculty. Coordinator and other members of IQAC keep contact with the teacher in charge of the College students' Union body and chalk-out problems faced by the students and recommended for solution to the authority. The members of the IQAC cell invite guardians, students of each department randomly to know about teacher's performance and the matter is intimated to the teacher through the Principal, for taking necessary steps to overcome the shortcomings. The IQAC identifies the innovative and time demanding courses and in consultation with the authority prepares projects for submission to concerned funding agencies. Moreover the cell collects the information related to teaching-learning of the departments and general requirements of the College and place the matter before the Principal for implementation.
