List of students (9<sup>th</sup> Semester)

### 11. Outcome of field work/ Project Work

By conducting the project work the student were acquainted with the systematic procedure of conducting a research work. This will further facilitate them to conduct various kinds of research studies of their interest areas. Involving the students in project work develops their critical and analytical thinking in different areas. It also gave them a clear perspective of the present day scenario along with various shortcomings in different fields which further needs to be resolved.
