My Dear Students,

Wish you a very Happy and Prosperous New Year and future.

It gives me immense pleasure to announce that you have been selected for the CII-SKA Merit-cum-Means Scholarship for the year 2018-19..! Yayyy...!!

Please accept my Hearty Congratulations on your success ! You are one of the 28 brilliant students in India who has earned this scholarship. The fact that you are one of the very few students, means that you have really worked hard and done well in your studies. I am sure your parents and teachers are proud of you.

We mentioned in the scheme in Section C, that we had planned to meet the cost of the actual tuition fees of the Institute / College / Course, allowance for purchase of books / study material, allowance for hostel accommodation and other related incidental subsistence allowance. However, due to budgetary constraints we are unable to meet all the needs. Out of the several hundred applications, we have selected the best 28 students, from both the categories -- 14 continuing students 14 new students (*those who have enrolled in the current year*). The jury was very strict in applying the criteria and met twice before coming to conclusions. And they, finally, selected you. Now you understand why I said that you are highly competitive and, I am confident, you will perform well in your career with your hard work.
