“Teaching, Learning and Research”

jointly organized by

Pub Kamrup College Library and Research & Development Cell of the College

Pub Kamrup College Library and Research & Development Cell of the College jointly organized a One Week Faculty Development Program on “Teaching, Learning and Research” from 19th to 26th of September, 2023 with an objective to promote not only the teaching and learning but also to promote research culture by following research ethics. The event was inaugurated by Principal, Dr Bhupen Kumar Sarma with lightning of lamp and welcome address. The entire event covered six technical sessions where the resource persons from universities and college itself delivered lecture upon various theme-related important topics. Dr Utpal Das, Librarian of Dibrugarh University delivered lecture on Intellectual Property Rights and Copyright Law. In his session, he taught about various crucial issues related to intellectual property and chances of violation of copyright of those properties knowingly. Dr Badan Barman, Assistant professor of Gauhati University explained on application of ICT specially, various google tools in teaching, learning and research. He demonstrated a hands-on-training on application of those tools. Dr Nirmal Ranjan Majumdar, Librarian of Pub Kamrup College explained about the usefulness of e-resources for research and how to avoid plagiarism in teaching, learning and research. Dr Khagen Das, Assistant Professor explains about the need of high-quality research from NAAC viewpoint. In his lecture, he also mentioned about the different research grant funding agencies. Dr Dipak Konwar and Dr Dadul Dewri explained about the different scores of annual performance indicators for UGC CAS promotion. Dr Gaurangi Gogoi explained about the need of Lesson Plan, Teaching plan along with basic training for SMART Classroom. A total of 28 teachers were benefitted from this event.
